## **What's Coming Up?**

### **Coaching Sessions Are Back!!!!**

For those of you who have not managed to get down to the coaching sessions at Bolton Arena, we will be back there on Saturday 10<sup>th</sup> April. This year we have been joined by Jeff Winstanley who is completing his Level 2 Coaching Award, which he began over the winter. We can also offer our congratulations to Sue Duncan-Gilbert and Mike Duviau who got their official sign off to become Qualified Level 2 coaches towards the end of last year. Well done to you both and Good Luck for your further studies as I know there is no stopping you now.

### **Saturday 3<sup>rd</sup> April – 10am start Treasure Hunt – Rivington Country Park**

We have kindly been invited by Ribble Valley CRC – Juniors, to join them for their Easter Treasure Hunt around Rivington. John Mulligan has organised the hunt with the activities are bicycle based map reading and clue finding. The ride will be off road and consequently suitable for off-road bike and really only bikes with gears.

Meet at the Lower Barn cafe at 10:00. The car park is very small so it may be an idea to park at our usual car park just past Rivington and Blackrod School and ride to meet the club. Please allow enough time to meet at the Lower Barn for 10am.

### **Easter Holiday Scheme**

Stuck for something to do in the Easter Holidays, then why not follow the link below? British Cycling are running a number of coaching days in the North West.

The session on Thursday 8<sup>th</sup> April at Preston Arena finishes just before the first round of the Science in Sport Criterium Series commences. Why not stay and try your hand at some local league racing? Or watch and cheer on your club mates.
